

# **PUBLIC NOTICE OF PROPOSED ACTION**

***The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes.***

***The Administrator has received a complete application for modification and renewal of a water pollution control discharge permit from the following applicant:***

***Indian Hills General Improvement District (IHGID)  
924-D Mica Drive  
Carson City, NV 89705***

***The permittee proposes to operate an extended aeration package wastewater treatment plant (WWTP) at 1001 Hobo Hot Springs Road in Indian Hills, Douglas County, Nevada. The new plant replaces the IHGID wastewater utility's pond treatment system which serves the Indian Hills General Improvement District and the adjacent service area. The modification request is to upgrade the system to a new facility and to increase plant flow and treatment capability to a maximum design peak flow of 1.5 million gallons per day (MGD). The WWTP provides advanced secondary treated effluent which is disposed to groundwaters of the State via onsite irrigation and off site golf course reuse under a separate permit.***

***On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) as amended, and implementing regulations, the Administrator proposes to reissue and modify a permit to discharge, subject to certain effluent limitations.***

***Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication either in person or by mail to:***

***Department of Conservation and Natural Resources  
Division of Environmental Protection  
Bureau of Water Pollution Control  
333 West Nye Lane  
Carson City, Nevada 89706-0851***

**Public Notice  
of Proposed  
Action  
Page 2**

***The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted.***

***All comments or objections received within thirty (30) days will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.***

***If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.***

***The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Icyl C. Mulligan of the Bureau of Water Pollution Control at (775) 687-4670 Ext 3139.***

***Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.***
